# Mega Security

## Secure Tamper-Evident Packaging Tape

Tamper Evident Security tape is made with highly visible printing on the top surface as a warning to pilferage. The Security Tape provides a clear 'VOID' message on the application when it has been tampered with. Our Security Tape is cold resistant to -40 Degrees, Celsius and is impossible to re-seal once lifted from the surface. Our Security Tape will ensure your packaging meets TSA regulations.

Tamper Evident Security Tape by Mega Fortris can be fully customised to match your needs. You can have a custom void message and custom printing is also available.
